We will give you other choices of things to do.

Acknowledging achievements

We are proud of everything that you achieve and love to celebrate with you.

When Things Don't Go As Planned

Safety first

Sometimes feelings get really big and this can lead to actions that might cause harm to you or others.

If this happens, adults may need to respond in a way to keep you and everyone else safe.

When Things Don't Go As Planned

Problem solving together

We always try to understand why something has happened – we do this together.

We will make a plan with you so we all know what to do if it happens again.

Your plan will be unique.

Bullying Behaviour

♥ We treat everyone respectfully

We always try to prevent bullying behaviour.

Any form of bullying behaviour will be identified and understood.

Everyone impacted by bullying behaviour will be supported.

Reporting Worries and Concerns

We want you to communicate with us and we can help you to do this. We want to know if you are worried or if something isn't right. We want to help.

A Special Thank you

We want to say a big thank you to the children who created the images and wording in this booklet.
